

IN THE DRAWING

Please replace Fig. 1 with substitute Fig. 1.

REMARKS

This application has been carefully reviewed in light of the Office Action dated September 16, 2005. Claims 1-10 remain pending in this application. Claims 1 and 6 are the independent claims.

Applicant notes with appreciation the indication that Claims 1-10 are allowed.

Applicant respectfully believes the amendments to the Title adequately respond to the objections to the title in the Office Action and requests withdrawal of the aforementioned objections.

In response to the Office Action's objection to the drawings under 37 CFR 1.83(a), Applicant respectfully requests that substitute Fig. 1, incorporating labels, be entered. Applicant believes that substitute Fig. 1 renders the objection to the drawings moot and respectfully requests that the objection to the drawings be withdrawn for at least these reasons.

In view of the foregoing remarks, Applicant respectfully requests favorable reconsideration and early passage to issue of the present application. Applicant's undersigned attorney may be reached by telephone at the number given below.

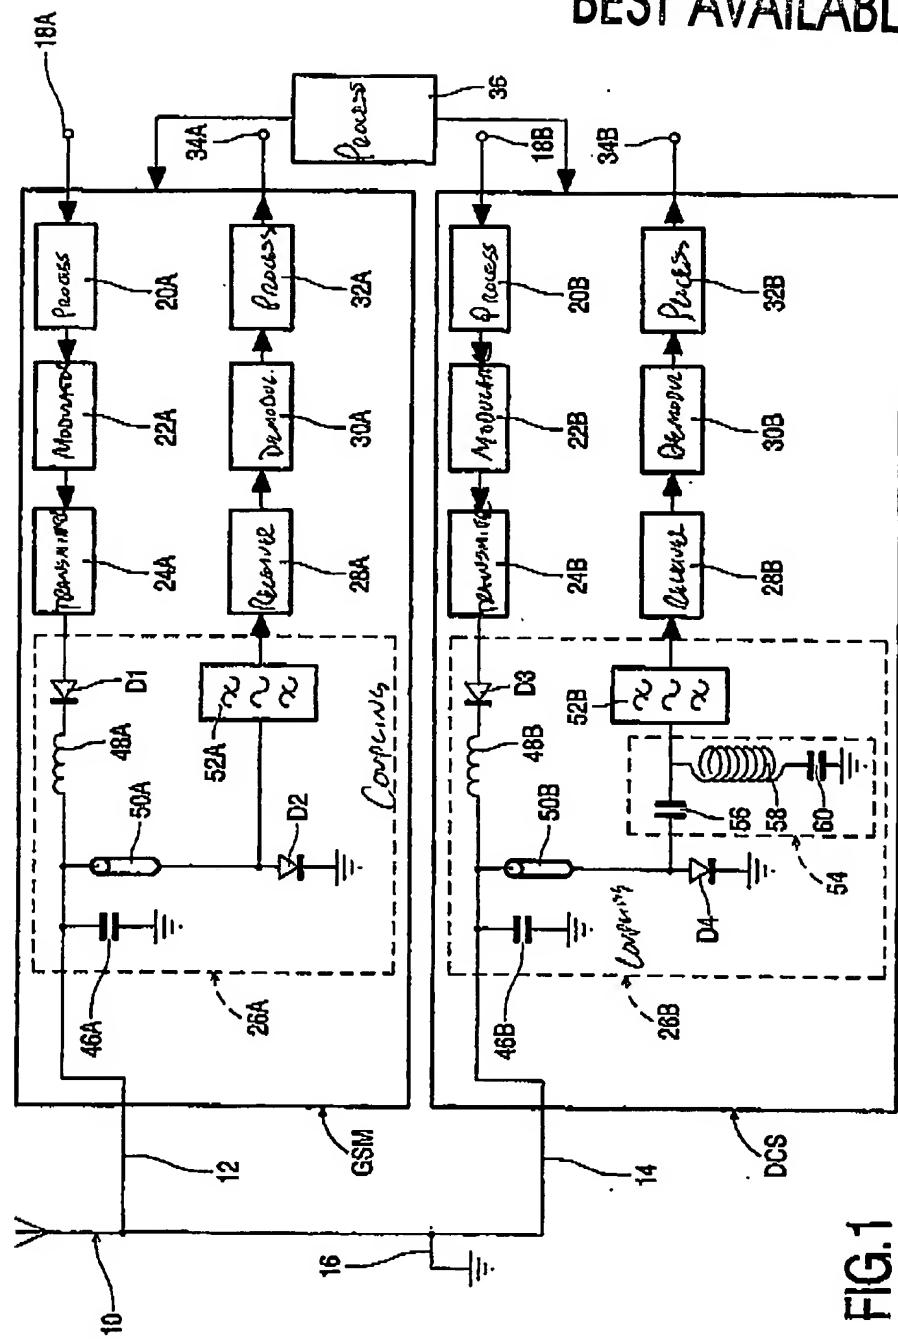

Respectfully submitted,
